

5th April 2024

Dear Members,

In the March 2024 edition of our newsletter, I discussed how our club is moving away from the Slice Golf Management and the Our Golf booking systems to a new web based (cloud) platform called SimpleGolf.

I am now pleased to advise that the Slice Golf Management and the Our Golf booking systems will be decommissioned and unavailable to our members from Monday 8th April 2024.

There will be a one-day delay before members can access the new SimpleGolf system as our transition team need to update the SimpleGolf system with tee bookings previously made in the Our Golf system.

The SimpleGolf system will be accessible to our members as of Tuesday 9th of April 2024 and will be accessible through three interactive ways.

 WEB PORTAL - Bookings for competitions, carts and tee times can be made via the new SmartGolf web portal. To access this portal, go to Bundaberg Golf Club website and click on the Home > Members Login tag. (This link will be active from 9th April)

Your **Member Number** will be the last four numbers of your Bundaberg Golf Club Membership without any preceding zeros. E.g., If your membership number is 41403 03009 your Member Number for the portal would be 3009. Alternatively, if your membership number is 41403 00425 your Member Number for the portal would be 425.

Your Password will be your date of birth in the **DDMM** format. E.g., if your date of birth is 23rd May 1977 your password would be 2305. Alternatively, if your date of birth is 9th February 1977 your password would be 0902.

If no date of birth was provided to the club by you then your password will be 0101.

Sample Portal Login Screen

Login is your Member Number with no leading zero's

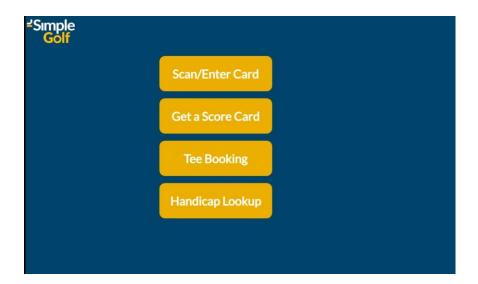

Password is the DDMM of your DOB, if no DOB was provided password will be 0101

Reset passwords must be 7-8 characters with 1 Upper & 1 Number

Member Number
Password

Set or Reset your Password

2. CLUB KIOSK - Bookings for competitions, golf carts and tee times as well as manual scoring from printed cards can be made via the kiosk in the Bundaberg Golf Club.

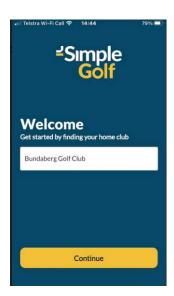

3. SMARTPHONE – Golf scores can be recorded via a printed card or a smart phone app. The **SimpleGolf app** can be downloaded from the APP Store (iOS Apple phones) or from the Google Play Store (for Android phones) and replaces manual scoring at the Kiosk. You cannot make tee bookings etc from the app.

Member Number and password are the same as when accessing the portal as above.

Members will be able to login to the app for scoring in registered competitions as of **Tuesday 9th April.**

Please Note: We encourage all members to try out the phone app to see if it suits you. However, no member is required to use the phone app and printed cards will be available from the Pro Shop upon request.

Making a tee booking via the SmartGolf portal and using the Club Kiosk to enter scores is very similar to what we currently do so I have not provided further information on these aspects at this stage.

However, since the information regarding member numbers and passwords and operation of the phone app for scoring will be new for some members, I have arranged for this information to be listed on our Bundaberg Golf Club Website under the **Competition > Competition Details tab** and also under the **Club > Club News tab**. (**These links will be accessible shortly**)

Additionally, I have also arranged for information on **how to make bookings** and **how to score with the phone app** to be downloadable within the members SmartGolf web portal. (**This information will be accessible from 9th April**)

Finally, as our experience with the system is still very new, I appreciate your patience and if you have any questions, please feel free to contact me or one of our committee members and we will try to assist.

Thank you for your continued support of Bundaberg Golf Club, and good golfing.

Noel Stitt President – Bundaberg Golf Club
